Mike's Market Comments

I briefly spoke to the man in charge of Beef Check Off and told him that our check off dollars were making the Packers rich and not helping the farmers and ranchers, at which time the conversation escalated. Unless we can use our check off dollars to lobby congress, the only people gaining from these dollars will be the Packer.

P.S. The packers DO NOT pay beef promotion!!!

This can be changed by a vote on a referendum to include lobbyist.

Oh by the way, when is the last time you heard a Beef Promo ad?
